Information For Contribution

Journal of Global Strategic Management (JGSM), as a refereed journal, strives to be amongst the highly qualified journals in the field by providing leadership in developing theory and introducing new concept to its readership.

All submissions are subject to a two person blind peer review process. The primary goal of the journal will be to provide opportunities for business related academicians and professionals from various business fields in a global realm to publish their paper in one source. The journal will provide opportunities for publishing scientific papers as well as providing opportunities to view others' works. Doctoral and MBA students are highly encouraged to submit papers to JGSM for competitive review. Manuscripts must be prepared according to the requirements indicated at the end of the last two pages.

The views expressed by the articles in the journal are those of the individual authors and do not necessarily reflect official positions of Journal Of Global Strategic Management (JGSM). Articles published are authenticated and cannot be reproduced or utilized in any form without reference to the journal. All inquiries must be directed to the submission address.

JGSM is an independent business journal published twice a year by the International Strategic Management and Managers Association.

Journal of Global Strategic Management is indexed and abstracted in:

*Global Impact Factor

*Cabell's Directory

*Asosindex

Manuscripts may be sent via e-mail to be following e-mail addresses: info@jsma.info Webpage: <http://www.isma.info>

Dear Colleagues and Valuable Readers,

We are living the happiness of filling the 10th year in the field of Global Strategic Management. We have published 20 numbers so far. We contributed to the field of strategic management by publishing original articles from many countries of the world for the first time. We are looking forward to new academic studies with great enthusiasm.

As the interest from academicians and researchers from all around the world has been increasing about our journal, it is my great pleasure to introduce you the 10.2.th edition of Journal of Global Strategic Management. Strategic management is a concept that holds the aim of achieving the goals and objectives of organizations in the long term. As one of the most researched disciplines, strategic management includes a wide range of subjects about business management area. For this reason our journal is devoted to develop the core understanding of strategic management; we try to welcome a diverse range of papers concerned with all aspects of strategic management which rely on statistical inference, qualitative/quantitative studies, conceptual and computational models.

Successful publication of a journal requires importantly and timely qualified reviewing. I am also very pleased and thankful to all of the members of Editorial Board, Advisory Board and Peer Review Committee for their remarkable help issuing this journal successfully.

Sincerely yours,

Editor-in-Chief

Prof. Dr. Cemal ZEHİR
