Information For Contribution

Journal of Global Strategic Management (JGSM), as a refereed journal, strives to be amongst the highly qualified journals in the field by providing leadership in developing theory and introducing new concepts to its readership.

All submissions are subject to a two person blind peer review process. The primary goal of the journal will be to provide opportunities for business-related academicians and professionals from various business fields in a global realm to publish their paper in one source. The journal will provide opportunities for publishing scientific papers as well as providing opportunities to view others' works. Doctoral and MBA students are highly encouraged to submit papers to JGSM for competitive review.

Manuscripts must be prepared according to the requirements indicated at the end of the last two pages.

The views expressed by the articles in the journal are those of the individual authors and do not necessarily reflect official positions of Journal of Global Strategic Management (JGSM). Articles published are authenticated and cannot be reproduced or utilized in any form without reference to the journal. All inquiries must be directed to the submission address.

JGSM is an independent business journal published twice a year by the International Strategic Management and Managers Association.

Journal of Global Strategic Management is indexed and abstracted in:

*Global Impact Factor

*Cabell's Directory

*Asosindex
